Sir,

With reference to your docket No
1086 dated the 7th November 1903 forwarding
for report petition of Krishnappa Setty praying
that the Kandayam land belonging to the
Durga Parameswarni temple at Hampapur
in the Yedatore Taluk, may be converted into
"Inam", I have the honor to transmit herewith
the correspondence ending with the Yedatore
Range Divisional Officer's yadi No 699 dated the
24th February 1904. It will be seen therefrom
that the dry land to the extent of 5 Acres & 11 guntas
was given as Inam for the temple. After the
Extension of the Channaj nala these were con-
-verted into wet. Water rate to have been charged
and collected after deducting the amount
of Rs 20-8-0 given as Inam. This comes to Rs
0-2-0 per acre. But the Divisional Officer thinks
it reasonable to charge water rate to at Rs 4 per acre.
If Government deems it fit, it may sanction accordingly.

I have the honor to be
Sir
Your most obedient servant
Deputy Commissioner
Mysore District.

I have the honor, in reply to your docket No. 3013, dated 5th April 1904, to state that the prerogative of granting the land in question, with water rights included, as Inam, rests with Government. The fixing of the water rate at Rupees 4 per acre is, of course, of the nature of a concession but is unobjectionable as Government, evidently contemplates a favourable settlement in favour of the temple.

The Secretary to the Government of His Highness
the Maharaja of Mysore,
Huzrai *Personal and Revenue Department.*

SIR,

With reference to your letter No.3698 dated 30th April 1904 requesting an expression of my opinion in the matter of the proposed reduction from Rs.6/2/- to Rs.4/- per acre of the water-rate payable on the Inam land endowed to the Durga Parameswari temple at Hampapur, Nedatore Taluk, I have the honor to reply that the facts of the case are not clear from the report and papers sent. It is not clear, for example, how the rate of Rs.6/2/- has been arrived at. Water-rate is leviable on land which was dry crop when granted as Inam and has been subsequently converted into wet with Government water. No such charge is leviable on land which was wet when granted as Inam nor can the former valuation of such land be revised at present. A further fuller presentment of the case is solicited.

Sir,

With reference to your docket No. 3630 dated 20th May 1904 calling for certain information regarding the charging of water rate of Rs. 4 per acre on the Kandayam land belonging to the Durga Parameshwari temple at Hanakere in the Yedatore Taluk, I have the honour to submit herewith the correspondence ending with yadi No. 650 dated 20th June 1904 from the Assistant Commissioner in charge of Hunsur Division.

2. Of the lands granted to the temple as Inam, those bearing Survey Nos. 28 and 37 were originally assessed at dry rates. On the extension of the Thamarajnala, these lands were converted into wet and were assessed at wet rates. These lands appear to have been assessed at Rs. 6-2 per acre as per para 2, Section 19 of old

land revenue rules. According to section 33 of the present land revenue rules it is reasonable to reduce the rate to Rs. 4/- per acre.

3. I therefore request that orders may be kindly obtained on the subject.

Huzrai ~~General and Revenue~~ *Department*

SIR,

With reference to correspondence ending with your letter No.505 dated 29th Jult 1904, regarding the proposed reduction from Rs.6-2-0 to Rs.4-0-0 per acre of what is worked out to be the water-rate payable on the Inam land endowed to the Du ga Parameswari Temple at Hampapur, Yedatore Taluk, I have the honor to state that in my opinion there does not appear to be any mistake in the assessment, becaus para2 of section 19 of the old Land Revenue Rules is practically re-enacted in the proviso to Rule 38 of the present Land Revenue Rules. Any reduction of the assessment is, as the Inam Superintendent has put it, in the nature of a concession, and this is entirely a peroraga-tive of Government to whom application should be made in that behalf

Proceedings of the Government of His Highness the Maharaja of Mysore.

Read:-

Petition Registered No.693-155/512 dated the 28th October 1903 addressed to His Highness the Maharaja, by Subraya Archak of the Sri Durga Parameswari temple at Hampapur in the Yedatore Taluk, praying for the reduction of the water rate on the inam land attached to the institution.

(2) Letter No.256 dated the 7th March 1904 from the Deputy Commissioner of the Mysore District reporting on the above.

(3). Letter No.120 dated the 15th April 1904 from the Superintendent of the Inam Settlements in Mysore, and

(4). Correspondence ending with letter No.2275 dated 31st August 1904 from the Revenue Commissioner in Mysore.

Order thereon. No. R.5481-5 / L.R307-04 Dated Bangalore, 23rd December 1904.

The Sri Durga Parameswari temple at Hampapur in the Yedatore Taluk, is a Muzrai institution endowed with the originally noted inam lands. After the extension of the Chamarajendra Mala, the lands bearing Survey Nos. 20 and 22 which were originally assessed at dry rates, were converted into wet and assessed at Rs.6-5-0 per acre as per para 2 section 19 of the old Revenue Rules. The Deputy Commissioner recommends the reduction of the wet rate to Rs.4 per acre. The Superintendent of

Inam Settlements states that the fixing of the water rate at Rs.4 per acre is of the nature of a concession and that it is unobjectionable. The Revenue Commissioner in Mysore concurs with this opinion.

2. In these circumstances, the Government are pleased to direct that the water rate on the inam lands in question be fixed at Rs.4 per acre, under rule 33, clause (I) of the Revenue Rules framed under Notification No. 264-R.122 dated the 10th July 1901 instead of at Rs.6-2-0 per acre as now levied on the lands from the temple.
